

ANNOUNCEMENTS

Tuesday, September 13, 2011
"B" Day

Do you want to get together with friends to learn a new skill and create something for yourself or others? Come to the niche club meeting to find out the details. Niche club will be having the first meeting for all students that are interested in learning a new skill or hobby. We will be meeting today at North Campus, room 200, after school.

As of Monday, September 12, parking permits must be placed in vehicles. If you didn't purchase a permit you need to use one of your three temporary parking permits to avoid a ticket. Come to the main office to pick up necessary forms.

Mark your calendars! Picture retakes will be on Friday, September 23 in the north campus commons.

Assignment notebooks are available in the north campus office for \$5. A great tool to help keep you organized.
