MEMBER EXPECTATIONS

As a Key Club member you are expected to:

- Attend any organized service projects you commit to
- Help us reach our goal in improving the community and live up to our vision to develop competent, capable, and caring leaders through the vehicle of service
- Provide ideas and input throughout the year to help improve the club's efforts
- Attend morning or afternoon monthly meetings (the second Thursday each month) whenever possible
- Join Arrowhead KEY CLUB on Facebook page and check emails regularly

One of the benefits of Key Club is that there is not a point system, grade requirements, or penalty for you not being able to appear at a meeting or service project. All we ask of you is to attend the meetings you are able to and participate in the projects that you sign up for. We realize that athletics, jobs, and other commitments can make for a busy schedule so we are very flexible. HOWEVER, do not use this as an excuse to be an inactive member. We need your help to make a difference!!
