

# Warhawk Mini Track Camp

Arrowhead High School Boys Track coach Chris Herriot, with the help of Arrowhead track athletes and coaches will offer a track camp specifically designed for younger children entering 4 or 5 year old kindergarten. The goal of this camp is to introduce children to track and field in a safe and stimulating environment. Participants will learn the very basics of running, skipping, and jumping. They will also learn to interact with one another while playing various track related games. Parents are welcome to stay to watch the action. The last day will include a mini-track meet including all campers from all of our summer track camps. Any days missed due to inclement weather will be made up the following week.
