B Day

Good Morning, Arrowhead High School!

Arrowhead is now accepting applications for Peers4Peers. Peers4Peers is a club built by Arrowhead students and designed to support fellow students. If you care about helping others in your school, please apply. Applications are available on the Peers4Peers website. They are due on Tuesday, April 30th.

The Arrowhead Earth Club would like to invite you to celebrate Earth Week with us!

Today, meet Earth Club at Centennial Park for a hike on the Ice Age trail and a picnic starting at 3:30pm. Tomorrow, donate any blue jeans you no longer wear. Donation bins are located in the entryways at both campuses. The jeans will be donated to Lake Country Caring. An oak tree give away will take place immediately after school by the South Campus main entrance on Friday. Finally, we will green up the planet even more by giving away succulent plants. Please sign up to secure a free plant in the libraries at both campuses. Plants can be picked up on Earth Day.

Thank you for supporting Earth Club and our planet!
