CONTRACTOR NOTIFICATION

The Arrowhead Union High School District would like to take the opportunity to notify you, as a contractor of the Arrowhead Union High School District, that we make every effort to comply with Health, Safety and Environmental Regulations as required by the Wisconsin Department of Commerce (WDOMM), Environmental Protection Agency (EPA), Department of Health and Family Services (DHFS), as well as the Wisconsin Department of Natural Resources (WDNR). In an effort to comply, the Arrowhead Union High School District is required to notify all contractors that perform work on Arrowhead Union High School District property of the following:

NOTICE OF ASBESTOS MATERIALS

Buildings owned by the Arrowhead Union High School District have asbestos containing building materials. It is the responsibility of the contractors and their subcontractors to notify the Director of Buildings & Grounds if they suspect that building materials contain asbestos. If your work does, or will likely disturb, in any way, asbestos-containing materials, proper procedures must be implemented to halt any fiber release. Any disturbance to asbestos containing building materials must be reported to the Director of Buildings and Grounds immediately. An Asbestos Management Plan is available for review in each facilities main office.

HEALTH AND SAFETY

The following health and safety programs are in place within the School District:

Blood borne Pathogens	Chemical Hygiene Plan
Confined Space Entry	Emergency Contingency
Hazard Communication	Hazardous Waste
Hearing Conservation	Indoor Air Quality
Lock-Out/Tag-Out	PCB
Personal Protection Equipment (PPE)	

Any of the aforementioned programs are available for review. Please contact the Director of Buildings and Grounds for availability of the plans.

MATERIAL SAFETY DATA SHEETS

You must forward any Material Safety Data Sheets (MSDS) for any products used or installed in the Arrowhead Union High School District prior to commencement of delivery or start of project.

USE OF TOBACCO PRODUCTS

The Wisconsin Legislature has prohibited the use of any tobacco products on school property (Wisconsin Department of Commerce, Chapter 101, Section 101.123). Bid submittal constitutes agreement that all personnel, assigned or subcontracted to complete this bid, will abide by this directive whenever they are on school property.

As a contractor of the Arrowhead Union High School District, you are required to comply with the applicable environmental and safety regulations. The Wisconsin Department of Commerce (DCOMM) governs the Arrowhead Union High School District, while the Occupational Safety and Health Administration regulate you.
