Report directly to your class if you arrive during passing time to the start of the period

If you arrive before the period begins you need to be in one of the three designated areas below **AND you will be required to sign into that area:**

1. Enter through the front door, sign in with the greeter and wait in the outer office area where the greeter can observe you.
 - a. If you arrive during class time you will not be allowed to report elsewhere.
 - b. If you arrive before class begins you may then report to the other two areas below
2. You may also report to the Activities Office commons area but once there you can not leave without a pass (sign in with senior study hall supervisor) so plan ahead
3. You may go to the library, but you must **be there at the start of the period or you can't go and you must stay the entire period**

You are not allowed to join Senior Study Hall (designated seating near Activities Office), wander the halls or sit in the halls

Early Dismissal FSO:

If your FSO allows you to leave school before dismissal you must leave the building or report to one of the above designated areas following the directions above

When leaving the building you need to exit door 17 if you are parked in Lot D ~ do not exit through the gym to use door 15

You can lose FSO and be assigned to a study hall if you choose to be in the building but you are not in one of the designated areas listed above
