Calling all teenage Republicans! We will be hosting our sixth TARS meeting of the year at 6 pm TODAY, Monday, February 8th via Zoom. Come for a discussion about giving conservatives a voice in the workforce, entertainment, social media, education and government. If you were a member last year or attended our last meeting, feel free to bring a friend. If you have any questions, feel free to contact Ali Beneker, Charlie Fahey, or Daniel Payne. See you there!

The Romans never found Algebra challenging, because they always knew X was 10. If second semester math is challenging you, spend some time with a SASS Math Tutor. Tutors are available in the South Campus Library on Tuesday and Thursday from 1st through 10th hour. On Wednesday after school, you can work with a SASS Math tutor in the North Campus Library until 4 PM

We can only call students to the office before and after school or after second and eighth hours. So if you are expecting a lunch or package to be delivered, please check in the office. Students who need to leave during the school day should bring a note to the office before 7:20 AM and pick up a pass to leave at the indicated time.

Attention Students: If you are feeling ill, please come to the Health Room to be assessed. Please DO NOT text or call your parents until you have been seen by the nurse. Thanks for your cooperation.
