Dear Parent/Guardian :

The Arrowhead High School South Campus Counselors intend to meet with all freshmen to discuss their academic, career, and social well-being. The Grade 9 Conference focuses on providing resources and general information, suggestions and strategies for maximizing performance, academic/career development, and future course planning.

This year, conferences will be held in the Counseling Office in small groups of approximately 2 to 4 students and take place during study halls. Students will be notified of their conference date/time at least two days beforehand. Note that the format of conferences has changed from previous years and will be held with students only.

We have set aside two opportunities for parents/guardians to meet with South Campus Counselors during Parent/Teacher Conferences. This is to get a better understanding of content and review material presented during Freshman Conferences. If you desire an individual conference, please contact the respective counselor.

Dates and times for the parent information sessions are as follows:

**Thursday, October 13, 2011 at 6:30 p.m.**

**Friday, October 14, 2011 at 8:00 a.m.**

Meetings will be held in the North Campus Library and last approximately one half hour with time for question and answer.

We look forward to meeting you and beginning an important partnership together to help your son/daughter's high school experience to be the very best.

Sincerely,

Mrs. Barb Whyte (Last Names A-L) 369-3611 ext. 4115 [whyte@ahs.k12.wi.us](mailto:whyte@ahs.k12.wi.us)
