

ARROWHEAD HAWKETTE TRYOUT CONTRACT

Parents and Hawkette candidate: Please read the following contract carefully. It is imperative that both parent and dancer understand the commitment, expectations, standards and expense that are required to be a successful and contributing member of this team.

1. If selected as a member of the Hawkette dance team, I understand that attendance at all practices and performances are mandatory. I understand that if I am absent from practice during a competition week, for any reason, I will not be allowed to compete. I will schedule work, driver's ed and any other activities around practice and performance times.
2. If selected, I will follow all of the Arrowhead Athletic and Activities 'Code of Conduct' as well any and all additional rules set forth by the coaching staff. I commit to representing myself, my school, and my team in a manner which is beyond reproach at all times. Drinking and smoking will not be tolerated and will impact your ability to perform at the level of excellence that is required of each Hawkette. Disregarding this rule can be cause of dismissal and all typical and usual punishments will be followed according to the Athletic Code.
3. If selected, I commit to maintaining my grades and attending school regularly. I am aware if I do not go to school, I cannot practice.
4. If I am selected, I and/or my parents will be responsible for all expenses incurred for uniforms, camp and competitions.
5. If selected, I will attend all summer practices.
6. I fully understand that I will need to work hard at practices and practice at home. I also understand that I will need to accept personal critiques and constructive criticism, and that I may have to make personal sacrifices for my team.
7. I am not "testing" out the team until something better comes along or I change my mind about where my interests lie. I am making a commitment to the team for one full year. I will not quit the team due to unrealistic expectations or change of heart.
8. AS A PARENT, if my daughter is selected, I will commit to helping her be the most successful Hawkette she can be. I will support the coach in helping my daughter to follow all of the Hawkette rules and expectations. I understand the importance of school attendance and will mandate regular attendance throughout the year. I realize my daughter will be expected to attend ALL practices, performances and competitions, and will help her schedule her day to day activities/appointments to meet this requirement.
9. AS A PARENT, I will agree to assist with various parent board requirements such as fundraising, team dinners, spirit wear, etc.
