B Day

Good Morning, Arrowhead!

If you have not picked up your yearbook, you are able to get it the week this week during Study Hall. After school is over, the Welcome areas at both North and South campus will have Yearbooks to distribute.

Book Room: Starting Wednesday morning, June 8th, the book room will be open between exams for students to return books. Students are responsible for returning all of their books to the book room at the appropriate campus. If you took a class at North Campus, the book for that class should be turned in to North Campus. If you left a book in the classroom, you need to get it and bring it to the book room. Classroom teachers are NOT responsible for returning books that students have left there during the school year. You will receive a bill with your report card with any books not turned in. DO NOT leave your books in your locker as custodians will not be responsible for turning in books when they clean out lockers.

Locker Clean out: Warhawk Interact is hosting a school supply drive from May 31st to June 10th. As you clean out your lockers, please donate your gently used or unused school supplies. These supplies will be given to students in the Philippines and Milwaukee Public Schools. There will be school supply drive flyers on donation boxes throughout the hallways at North and South Campus.

Containers have been placed in the hallways for paper recyclables and trash. Please be sure to use the appropriate containers to dispose of the materials that you do not want when you are cleaning out your locker. All lockers must be cleaned out by 1:00pm on Friday, June 10th. Items left in lockers will be discarded or donated.

Lost & Found: If you are missing a water bottle, lunch bag or an article of clothing, please check the Lost and Found table outside the Welcome Center by the South Campus office. All items not claimed by June 13th will be donated.
