

Parents of Junior students,

If you have not yet had your Junior Conference meeting with your child and their Counselor, we still have spots available from now through mid-January and from mid-February through April.

A Junior Conference is a 30-40 minute individual meeting with a Junior student, parent and Counselor. At that meeting, we will review credits and provide updated information from the University of Wisconsin System, Wisconsin private colleges, and Wisconsin technical colleges. We will also provide an overview of the college application process including the basics of financial aid, visiting colleges and taking the ACT. Bring your questions!

Junior Conferences can be held during a study hall period, on a Monday, Tuesday, Thursday or Friday. Parents are encouraged to attend!

To schedule a conference, please use the following Calendly links to see your Counselor's availability:
