

## ANNOUNCEMENTS

Monday March 8, 2021

"A" Day

Arrowhead's Earth Club is promoting the importance of recycling used electronics. Rechargeable batteries and unused cell phones should be properly recycled. The Earth Club has collection bins located near the main entrances at both campuses for you to properly dispose of any cell phone or rechargeable battery.

The materials found in cell phones and batteries can be reused. Do NOT just throw electronic waste into the trash. Please help protect the Earth and support the Earth Club by recycling electronics the proper way.

Your efforts are greatly appreciated.

Mamma Mia! This school year has been going by so fast, and the Broadway Company is already putting on their second production this year, Mamma Mia: The Musical! Tickets can be purchased on the Arrowhead website under "News and Events". The performances start Thursday, March 4th, and continue through Saturday, March 13. There will be a \$10 student show on Wednesday, March 10th. Get your tickets now and bring a friend to support the Broadway Company!

Auditions for the Spring Play "Choices & Consequences: Two One Act Plays" are on Tuesday, March 16 and Wednesday, March 17 from 6-9pm. This experience pairs together "Tracks", a modern drama, and "Antigone", an Ancient Greek tragedy. These plays explore a daily human occurrence: when you are presented with a choice and have to weigh the consequences of that choice. All are welcome to audition. See the Drama Department Website or contact Mrs. Markano for more information.
