

AP EXAM REVIEW STUDENT REGISTRATION INSTRUCTIONS

Enrollment Code: R245757

Website: <http://www.apexvs.com/>

1. Go to the website above.
2. If you are a returning user who has previously registered to use another Apex Learning product, type in your username and password and click **Login Now**. Then, skip to step 4.
3. If you are a new user to Apex Learning, click **Register Here** and proceed through the registration process.
4. Once you've successfully registered and written down your username and password, click the **Go to My School** button.
5. When you arrive on the **My School** page, click **Enroll in a Course**. When prompted, enter the enrollment code above and click **Submit**.
6. Once you've completed enrolling, return to the **My School** page, click **Run System Checkup** in the **Tools** area on the left to make sure your computer is ready for AP Exam Review.
7. Next, click **Orientation** in the **Tools** area, then click **Student Guided Tour** to find out how AP Exam Review works.
8. To access AP Exam Review in the future, go to the same website above, type in your username and password, and click **Login Now**. When you arrive at the **My School** page, click your subject name under **Current Enrollments**.

After you've completed registering, your username and password will be emailed to you.
