REVIEW OF THE 2016/2017 SCHOOL YEAR –

Ms. Myrah's review of the past school year began by noting some difficult situations the district faced, including the deaths of several students. She then continued with a review of the district's Mission statement. To achieve that mission, we value people, learning, and excellence; we enjoy a partnership with an engaged community that realizes the importance of learning within a high quality education; and we offer this excellent public education in a fiscally responsible manner. Over the last 10 years, the district has reduced its budget by over \$5 million. Since 2011/2012, employee benefit changes have resulted in an annual cost savings of \$2.3 million. Arrowhead High School maintains a Moody's rating better than approximately 90% of the school districts in Wisconsin. Fund Balance, while healthy at 34.7%, needed to be used for recent one-time improvements. Despite increasing operational costs, our per pupil expense remains just below the state average. Among the 10 union high school districts in the state, Arrowhead High School had the second lowest mill rate in 2016/2017, and ranked 416<sup>th</sup> of 424 school districts in the state. Ms. Myrah also recognized Mr. Kopecky, Arrowhead's business manager, for his achievement in becoming a nationally Certified Administrator of School Finance and Operations (SFO) during the past school year.

Aspire Data – This assessment of 9<sup>th</sup> and 10<sup>th</sup> grade students for college readiness is linked to the ACT and measures what students have learned in the subjects of English, math, reading, science, and writing. In 2016, Ms. Myrah noted the percentage of students (9<sup>th</sup> grade/10<sup>th</sup> grade) college ready as follows: English – 73.1%/74.0%; Math – 73.1%/60.9%; Reading – 58.3%/52.0%; Science – 59.5%/57.3%; and Writing – 62.6%/62.0%.

Ms. Myrah compared student academic achievement among proximate public school districts. In 2016, Arrowhead High School tied for second highest, with an ACT average composite score of 24.0 among our graduates, and second highest among all juniors, with a score of 23.7. Arrowhead High School ranked highest, with 89.2% of students passing an Advanced Placement (AP) exam.

In 2016/2017, Arrowhead High School offered 23 Advanced Placement (AP) courses. The average passing rate on exams was 88.9% (scores of 3, 4, or 5). Students who achieve a score of 3 or higher may obtain college credits as well as high school credits.

Our licensed staff/student ratio is 1:17.2, which is above the state average of 1:13.1. The overall staff/student ratio is 1:11.4, compared to the state average of 1:8.7.

The Arrowhead Experience – Ms. Myrah shared many examples of academic highlights and recognitions, special events and recognitions, co-curricular highlights, as well as student and staff recognitions. Although there are too many volunteers and donors to list, our supportive community members are the backbone of the ‘Arrowhead Experience.’ During the 2016/2017 school year, over \$300,000 was donated by generous individuals, organizations, and businesses to Arrowhead High School for projects, initiatives, and departments within our school. The Arrowhead Scholarship Fund gave over \$71,000 in scholarships to graduating seniors.

Ms. Myrah concluded by reviewing the district’s Vision, which is: “To meet the needs of the 21<sup>st</sup> Century learner, the Arrowhead Union High School District will adapt to create relevant, engaging, and self-directed learning opportunities for all of our students and staff.” She also shared several initiatives for the 2017/2018 school year, including continued focus on college and career readiness through enhanced literacy, social and life skills enhancement, and Academic and Career Exploration (ACE) for students; meaningful professional development and work engagement for staff members; strengthened communications and marketing for the district; and Mission and Focus Plan development.
