Reg: National Merit Semifinalists

Arrowhead High School is proud to announce that nine students have earned recognition as National Merit Semifinalists. This past year, over 1.3 million students from over 21,000 high schools took part in the 2024 National Merit Scholarship Program by taking the National PSAT assessment. 16,000 students nationally, about 1% of those who tested, are recognized as National Merit Semifinalists. More than 15,000 of these students are expected to be designated as Finalists in February based on their test scores, accomplishments, and potential for success in rigorous college studies. National Merit Finalists are eligible for nearly 7,000 scholarships between corporate, college, and National Merit-sponsored scholarships.

Earning National Merit Semifinalist recognition are: Anay Bansal, Tanner Esper, Benjamin Faessler, Anakin Fischer, Benjamin Harkavy, Lily Lui, Alexander Mackay, Benjamin Otte, and Katherine Schoepfel.

Principal Adam Kurth shared, "This is a great recognition of years of effort from these students. Our school community is proud of these students and their representation of our school."

Superintendent Conrad Farner stated, "Arrowhead consistently has one of the highest numbers of students in the state who qualify for National Merit recognition. It is extremely rewarding to see the hard work and dedication of these students, their families and their teachers result in this recognition."
