

THE FOLLOWING EMAIL APPLIES ONLY TO STUDENTS CURRENTLY ENROLLED IN AN AP CLASS.

Dear Parents of AP Students:

All students who are taking AP classes have now "joined" their class section on their AP/College Board account. Thank you for your help in making that happen. Please have your student complete the following two steps to finish the exam ordering process.

- The student should log in to their AP/College Board account, and go to "AP Student". For EACH of their AP classes, they will click on the yellow button that says, "**Register for exam**", then click "**Confirm**" if they are taking the exam, and "**No**" if they are not.
- Turn in the bright green "**AP Payment Order Form**" with payment attached, to the Guidance office at either campus. Students will be receiving these forms in their AP classes over the next few days. The form is also attached below.

BOTH STEPS must be completed by November 6, or we will be unable to order an exam for your child.

Please see contact Mrs. Rodenkirch in the North Campus Guidance office if you have questions.
