**B Day**

**Good Morning, Arrowhead High School!**

**The Arrowhead Earth Club would like to invite you to celebrate Earth Week with us!**

An oak tree give away will take place immediately after school by the South Campus main entrance today. We will green up the planet even more by giving away succulent plants. Please sign up to secure a free plant in the libraries at both campuses. Plants can be picked up on Earth Day.

Thank you for supporting Earth Club and our planet!
