“B” Day

Did you know exactly 51 years ago, 20 million people came together to help better the environment on Earth Day? Let’s be like them and try to do something today that will make our world a better place. For example, try to pick up any trash that you see or make sure to recycle every product that you can. Whatever you do, let's help make this Earth Day the best Earth Day.

Our spring blood drive is April 28th and we need you to help make a difference! Donors will be treated to lots of goodies like cookies, and Chick-Fil-a and Culver's coupons! Please consider donating in support of all those who depend on blood donations. Sign up at lunch beginning Monday, April 19th thru Wednesday, April 27th. Let's save lives!
