RED DAY

Good Morning, Arrowhead High School!

- *Warhawks, all students are expected to remain in their classrooms until the bell rings at 2:30 PM. Students seen leaving early or being unsafe in the hallways during dismissal may receive consequences from administration. This includes students who end their school day in study hall.*
- Please pay attention to the location of your Resource classroom when you sign up. CHECK your Resource location in E-class every day before arriving at school. There may be times a teacher adds you to their Resource and that will override your original sign-up. Remember to refresh E-class to see any changes.
- Interested in Psychology? Join the Psych club! Psych club is a re-startup of the previous psych club! Join to learn and advocate for mental health, hear and gather insights on mental illnesses, and perform exciting experiments. If you're interested, please join us on either Thursday, December 11th or Tuesday, December 16th, for more information.
- There are a lot of activities happening today after school, please listen carefully to the following:
