Blue Day

Good Morning, Arrowhead High School!

- Girl Up and MSU are teaming up to hold a feminine product drive going on now through **next Wednesday, December 18th**. We will be collecting pads, tampons, and other related products to help support local women's shelters in Wisconsin. Donation boxes will be in both North and South Campus Social Studies classrooms. If you have any questions please contact Mrs. Passler or Mr. Reichle.
- Our Lost & Found is overflowing, if you are missing a sweatshirt, a lunchbox, maybe a water bottle...possible a pencil case or anything else. We even have a few jackets that have been found. Please come to the front office and take a look at the Lost & Found table before your Thanksgiving break.
