RED Day

Good Morning, Arrowhead High School!

- Girl Up and MSU are teaming up to hold a feminine product drive. Today is the last day to bring in your donation. We will be collecting pads, tampons, and other related products to help support local women's shelters in Wisconsin. Donation boxes will be in both North and South Campus Social Studies classrooms. If you have any questions please contact Mrs. Passler or Mr. Reichle.
- Our Lost & Found is overflowing, if you are missing a jacket, sweatshirt, a lunchbox, maybe a water bottle... or anything else. Please come to the front office and take a look at the Lost & Found table before your Winter break.
