A Day

Good Morning Arrowhead!

The Giving Tree is back! Pick up a tag from the tree at either campus. The gifts from these tags will be given to five families we are sponsoring. Be sure to put the unwrapped gifts under either tree or to the main offices of either campus by Thursday, December 8.

On This Day in History: December 2nd, 1804 Napoleon Bonaparte Crowned Himself a French Emperor. This was the first time in over 1,000 years that a Frenchman had held the title 'Emperor'.
