B Day

Good Morning Arrowhead!

Welcome to the 2nd week of 2nd semester! SASS Math Tutors restarts this semester in the South campus library during study halls on Tuesday and Thursday! You can also work with a SASS math tutor after school on Wednesdays in the North Campus library. Start your semester off right with a math tutor!

What magical house do you belong to? The brave lions, the ambitious snakes, the smart ravens, or the friendly badgers? If you know that answer or want to know, see Arrowhead Drama's winter play *Puffs (Or Seven Increasingly Eventful Years at a Certain School of Magic and Magic)* on February 9th and 10th at 7:00 pm and February 11th at 2:00 pm and 7:00 pm. This is a zany, laugh-out-loud parody of all things Potter (without actually using those pesky copyrighted names!). Tickets are available at lunch, online through the Arrowhead website, or at the door.

Are you interested in technology and helping others? Join the new service organization, the Student Technology Leaders. Meet for a snack and to learn more during your lunch hours: Today, Feb. 1 at South Campus in South Lab A, and Tomorrow, Feb. 2 at North Campus in North Lab B. Listen for announcements and see posters and signage for more information.

Our next Math Meet is Thursday, February 2 at Menomonee Falls High School. It would be great to have a JV team compete in addition to our Varsity teams. To compete on JV, students need to be in Advanced Algebra or below. Please sign up with your Math teacher or Mrs. Ley in room 127. Sign up through Wednesday February 1st. Treats will be provided.

The Arrowhead E Sports club will have free play time from 2:45-4:30 on Thursday, February 2nd in the North Campus library. Everyone is welcome to come and play. Bring a gaming device and bring a friend. Interested in finding out more about Arrowhead E sports, ask Mr. Skaros or Mr. Flesch.
