"A" Day

Sophomores - Have you ever thought about a career in healthcare? Would you like the opportunity to participate in a paid work experience in a healthcare setting? If yes, please watch your emails for information regarding the Health Youth Apprenticeship Program - Nursing Assistant. There will be a required informational meeting for interested SOPHOMORES on February 16th, at 2:45 in the South Campus Library. If you have any questions, please see Mrs. King or Mrs. Miller

The Romans never found Algebra challenging, because they always knew X was 10. If second semester math is challenging you, spend some time with a SASS Math Tutor. Tutors are available in the South Campus Library on Tuesday and Thursday from 1st through 10th hour. On Wednesday after school, you can work with a SASS Math tutor in the North Campus Library until 4 PM

*****Do Not Read Below Unless Told To Do So

We can only call students to the office before and after school or after second and eighth hours. So if you are expecting a lunch or package to be delivered, please check in the office. Students who need to leave during the school day should bring a note to the office before 7:20 AM and pick up a pass to leave at the indicated time.

Attention Students: If you are feeling ill, please come to the Health Room to be assessed. Please DO NOT text or call your parents until you have been seen by the nurse. Thanks for your cooperation.
