A Day

Hello Warhawk fans. Please note that your activity pass is good for home events except when it is a WIAA playoff which is what we are coming to with many sports.

If you go to the boys basketball games this week, you may still use your activity pass. If you go to the girls basketball playoffs starting February 25th as well as the boys basketball games the week after that, you will need to pay a ticket fee of \$6 for the game

Please make sure to have cash with you when attending the WIAA playoff games!

Students who have submitted an application for the CNA Youth Apprenticeship program: Due to the cancellation of the meeting on February 22nd, WCTC will still hold 2 meetings; remember 1 I required. Please check your school email for updated informational meeting time or contact Mrs. King.
