"B" Day

The Word of the Week is [volition](#) [voh-lish-uhn] – the act of willing, choosing, or resolving.

January's theme of the month is "Be Here, Be Yourself" sponsored by the Gay Straight Alliance Club. Being on time every day is important and so is being true to yourself.

Want a say in this year's Prom Theme? Vote for your favorite choice anytime between Monday Jan 8th and Friday Jan 12th. The link can be found on the Arrowhead website or on the posters found around school.

Hola! Do you like Hispanic food? If so come to our fundraiser to help Puerto Rico recover from Hurricane Maria. Its January 25th from 11:00 to 12:00 in the North Campus Commons. It costs \$10 and you can sign up with a Spanish teacher. Enjoy some tasty food and good music after finals are over. Hope to see you there! Adios!

Attention all boys interested in going out for track & field this spring. There will be a short informational meeting on Thursday, January 11th in the North Campus Junior Study Hall at 2:40pm. Important season dates, spirit wear information and training opportunities will be shared with athletes. If you have any questions, please contact Coach Herriot.
