Good Morning Arrowhead!

Just some brief reminders today...

1. Please check the lost and found for your missing items. They will be donated at the end of the first semester which is January 21st.
2. Students, if you are feeling ill, please let your teacher know and report to the health room before calling your parent or guardian.
3. Please dress for the weather, especially if you are traveling between schools and heading to Door A.

As always, thank you for your cooperation and have an awesome Thursday!
