

To Parents/Guardians of 11th grade students:

We are now in the process of scheduling Junior Conferences for our junior students. A Junior Conference is a 40 minute meeting with you, your child, and your child's counselor. At that meeting, we will review credits and give you updated information from the University of Wisconsin System, Wisconsin private colleges, and Wisconsin technical colleges. We will also touch on the basics of financial aid, as well as discuss visiting colleges and taking the ACT. Bring your questions!

Junior Conferences can be held during a child's study hall period, on a Monday, Tuesday, Thursday or Friday. Appointment slots are open beginning the first week of October.

To schedule a conference, please have your child see Mrs. Olson in the Guidance office with an idea of your availability. Or, you may email juniorconferences@arrowheadschoools.org. **Please provide a couple of options for days you are available, and please indicate your child's study hall period.**

We look forward to meeting you soon!

Mrs. Hayden
Mr. Reineking
Mrs. Rodenkirch
