RED Day
Good Morning, Arrowhead High School!

- Have you been signing-up for your resource for the next two weeks!? Go ahead, go sign up!! If you do, you won't be auto assigned and sent to North Campus. Please, remember to pay attention to the location of your Resource classroom when you sign up. CHECK your Resource location in E-class every day before arriving at school. There may be times a teacher adds you to their Resource and that will override your original sign-up. Remember, you need to refresh E-class to see any changes.

- Attention Sophomores and Juniors! Are you interested in obtaining work experience related to your career pathway? Do you want to obtain a job in the Engineering, Manufacturing, or Automotive industries starting this summer or next fall? Please attend the Youth Apprenticeship Informational Meeting during resource hour on March 19th OR March 20th at North Campus, room N148. Please sign up on E-Class to secure your spot!
