A Day

Good Morning Arrowhead!

Arrowhead E-Sports Club will be having its first organizational meeting and open gym Tuesday September 13th in North Campus Room 143 at 3pm. All students who are interested in participating in E-Sports this year should attend. After the meeting we will have a chance for open play until 5pm. Any questions can be directed to Mr. Skaros or Mr. Flesch.

Are you interested in global politics and debate? If you said yes, you should come to the organizational meeting for Model United Nations. Model UN will be traveling to conferences around the country. We will also be going as an organization to have different meals and cultural experiences. Join us as we experience the world and make it a better place. *Plus, it looks good on college applications!* Join the organizational meeting for Model UN next Tues, SEPT 13th, 2:45 - 3:45 in South Campus room 411. Contact Mr. Kasun for more info.

Are you interested in a career in healthcare? Would you like to learn more about healthcare through community events and volunteering? Come see what HOSA: Future Health Professionals has to offer. Our first meeting is Tuesday, Sept 13th at 2:45 in the junior study hall room. We will have information about how to become a member and our September activities. Contact Mrs. King with any questions.

We're Back! You can come to the South Campus Library to work with the SASS Math Tutors. Tutoring will be available most hours, from 1st hour through the end of 10th hour on Tuesday and Thursday in the back of the Library. Stay on top of those math problems by working with a SASS math tutor starting today. After school tutoring is available Wednesday only until 3 PM in the North Campus Library.
