

Summer School Adventure Education

SUMMER 2018

LOTTERY FOR SENIORS

Summer School Adventure Physical Education is available ONLY to senior students at Arrowhead High School. To offer a fair opportunity for students to enroll in this course, a lottery will be held.

Registration for Adventure PE will begin on January 19 and forms must be turned in to the North Campus Office by 3:00 pm on January 29. Summer School Adventure Education Lottery Forms submitted after the deadline will not be accepted or considered. Online registration will be used for all other Summer School classes including the other options in Physical Education.

The list of students chosen randomly in the lottery for Summer School Adventure Education will be posted February 5. Students should sign-up for the regular school year Physical Education if they are not selected in the lottery. As this is a very popular class, a waiting list will be established for interested students in the attendance office.

NOTE: Various restrictions necessitate a firm capacity for the Summer School Adventure Education course. NO EXCEPTIONS will be made to exceed this number!
