

Dear In Person Learners:

You are receiving this email because according to our records, you have chosen the In Person instructional format for the first 9 weeks of the 20-21 school year. If you are receiving this message and NOT attending school as an In Person learner, please contact Kim Dion at 369-3611 x4113

Thank you for your patience and understanding as we continue to transform instructional and organizational practices to meet the needs of all students during this pandemic!

Below are some important reminders and updates as we start the year:

1. Students who selected in-person learning must attend classes in-person. **Students who do not attend in person will be marked absent, even if they arrange to attend virtually.** Please know we appreciate your effort to stay caught up by working from home but by not physically being in the classroom, you are not attending in person which is defined as absent.
2. As always, please be sure to **contact the respective attendance office** when your child will not be able to attend school. The school phone number is (262) 369-3611
 - * X4201 for North Campus
 - * X4101 for South Campus
3. Students who wish to leave during **study hall** at the beginning of the day (period 1 or 1/2 and/or period 10 or 9/10) must have parental/guardian permission.
 - * Without parental permission, students who do not attend study hall as scheduled will be marked absent in Skyward and consequences will be assigned.
 - * Please use [this form](#) and return it to the respective campus by dropping it off at the Welcome Center, faxing it or scanning it in
4. Here is a reminder of the new lunch procedures:
 - * [North Campus Lunch](#)
 - * [South Campus Lunch](#)
5. Students must **wear a mask** at all times (except when eating at lunch) and it must cover the nose and mouth. Students have been cooperative so far, so we ask that this continues to keep us all safe, healthy and in school!

PLEASE STAY SAFE AND HEALTHY!
