

Parent/Guardians of Junior Students,

It is time for us to begin scheduling Junior Conference appointments for our Junior students and their parents! Junior Conferences are held from October through April, during a student's study hall, each weekday except for Wednesdays. Students without a study hall may schedule theirs during their FSO or lunch period. Students may have their Junior Conference meeting in-person or virtually, and parents may join virtually.

What is a Junior Conference?

- A 30-40 minute meeting with a student, parent and Counselor
- Detailed breakdown of credit earned/credits needed
- Information about UW schools, Wisconsin Private Colleges and Wisconsin Technical Colleges
- The "how-tos" of in-person and virtual college visits
- Overview of the college application process including letters of recommendation, essays, timeline
- Information about ACT dates and ACT prep
- Overview of scholarships and the Financial Aid process

Counselors are assigned alphabetically by students' last name. To schedule a Junior Conference, please click on the link by your child's Counselor's name to be taken to their calendar page.
