

Hello Parents of the Class of 2022,

We have enjoyed getting to meet so many of your students so far, and are looking forward to meeting more of them and working with them as the year goes on.

Your North Campus School Counselors have put together a [Junior Year Student and Parent Presentation](#) for you and your child to watch. It contains important information for their Junior year, including graduation requirements, ACT testing, Junior Conferences and more! Please take some time to watch it this weekend. It should take about 35 minutes. This is the presentation that we give in the fall of each year in the theater. For safety reasons, the presentation is virtual this year.

After you've watched it, if you have any questions, please let us know!

We look forward to hearing from you!
